Meeting Summary ^{AI}

The meeting at the commissioner's court focused on allocating \$125,000 for small-scale projects in registered neighborhood associations, with the Lower Valley Water District presenting eight projects for first-time water and sewer services. Challenges in securing funding for projects, addressing aging septic systems, waste management issues, and odors were discussed, along with the importance of engineering and surveying for project readiness. Updates on city of Socorro paving cuts, ARPA spending framework, sidewalk design and construction, and prioritizing street repairs for ARPA spending were provided. Discussions also included purchasing shirts for Board and Commission members and approving revisions to the chapter 380 economic development incentives policy.

Meeting Intelligence: Search Across AI Meeting Summaries

Search across AI generated meeting transcript summaries to surface relevant content more efficiently. Use the “Any Field” option in the main search bar or the dedicated “Meeting Summary Contains” filter to search for keywords directly in meeting summaries.

The screenshot shows the Meeting Intelligence interface. On the left, there is a filter panel with the following options: Agency State, Agency Country, Agency Type, and Meeting Summary Contains. The Meeting Summary Contains filter is highlighted with a red box and contains a search input field with the text "open bids (930)". A red arrow points from this filter to the search results on the right. The search results show two items: "Bid Opening - ITB 24-03-EN, April 23, 2024" and "Lebanon, Indiana Board of Works Meeting 4/23/24". The word "opened" in the first result and "roadwork" in the second result are highlighted in yellow.

HOW TO FIND IT

- Navigate to [Meeting Intelligence](#)
- In the main search bar select “Any Field”
- Enter a keyword (or keywords) and hit search
- Keyword matches will be highlighted in the AI meeting summaries
- Note: “Any Field” also searches across other items including meeting transcripts, documents, and meeting title
- To search across meeting summaries specifically, type your keywords into the “Meeting Summary Contains” filter in the left set of filters

The screenshot shows the Meeting Intelligence search results page. At the top, there is a search bar with the text "roadwork (3)" and a dropdown menu set to "Any Field". A red arrow points from the "Any Field" dropdown to the search results. The search results show three items: "Regular Meeting", "02/29/24 Finance Committee", and "02/29/24 Finance Committee". The word "roadwork" in the first result and "roadwork" in the second result are highlighted in yellow.
